Barcelona is...
¡Espera, no contestes todavía!

Big or small?
A seaside city or a mountain city?
Traditional or modern?

It all depends on how you look at it, doesn't it?

We invite you to explore the city through the eyes of local characters who see Barcelona in such different ways that sometimes they even contradict one another.

Through a shared story, illustrations packed with details and a fun game of observation and exploration, **discover something new** about Barcelona every time you open this book and **draw your own conclusions** about the city.
